

Would you like to help shape the future of cancer services in Hampshire, the Isle of Wight and Dorset?

The Living with and Beyond Cancer Transformation programme aims to improve care and support for people living with a diagnosis of cancer. We would like to learn from your experiences to ensure we are providing the right level of information and support across Wessex (Hampshire, the Isle of Wight and Dorset). This is an exciting opportunity to be involved with, and influence, the development of cancer services in your area.

Who can attend?

- Anyone who has been affected by cancer
- Health or social care professionals working across Wessex in Primary, Community and Acute Care and supporting /treating patients with cancer.

This event has been developed in collaboration with the Wessex Cancer Alliance, Macmillan Cancer Support and Cancer Research UK.

Date: Wednesday 18th July 2018: 10.00am to 4.00pm
