Cancer Alliance

Have you or your loved ones been affected by cancer?

Join our Patient, Carer and Public Involvement Network

You can help us make sure cancer services and support meet the needs of people in Dorset, Hampshire and the Isle of Wight. Below are some ways to do this:

- **Give feedback on cancer information**
- **Share your experiences at a focus group or event**
- **Join our Steering Group or a specific project team**

Everyone is welcome!
